Girl Scouts of Coshocton County are part of Girl Scouts - Heart of Ohio, Inc. Council. This council also includes eight other counties. Girl Scouts is a youth serving organization, founded in 1912 by Juliette Lowe. Through affiliation with the World Association of Girl Guides and Girl Scouts, Girl Scouts of Coshocton County are part of an international youth movement dedicated to spiritual values of personal honor, duty to God and country and service to others. Girl Scouting trains its members for good citizenship; it gives girls an opportunity to put democracy into practice as they work and play together in small groups, under trained adult leadership.

**GENERAL GUIDELINES**

Girl Scouts of Coshocton County considers participation in the Coshocton County Junior Fair a privilege and an opportunity to share their interests, ideals and accomplishments with Coshocton County fair-goers. And while each exhibit should be the very best effort of a troop at showing and sharing the meaning of Girl Scouting, it should be understood that fair participation is not a competitive event; no contest or rivalry among troops is intended. Rather, it is a group effort in portraying the many and varied aspects of the Girl Scouting program within our county.
