LIVESTOCK EXHIBITION RULES

901:19 Ohio's Livestock Tampering Exhibition Rules
RULES WILL BE MADE AVAILABLE TO A LIVESTOCK
EXHIBITOR OR ADULT ADVISOR UPON REQUEST AT THE
SENIOR FAIR OFFICE.

TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership, custody and any other irregularity in showing will be considered fraud and deception.

To maintain a high degree of confidence and integrity in the livestock shows, the agricultural society reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor's assistants who fitted the animal involved.

Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial tailheads, switches, polls, hair and heels, as well as any attempt to change the conformation and degree of firmness, by administration of fluids or air internally or externally in a liquid, solid or gaseous state. Transparent grooming materials only may be used.

THE USE OF CLENBUTEROL AND OTHER UNAPPROVED DRUGS IS PROHIBITED.

All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be barred from exhibiting or showing at this fair and will forfeit all premiums, prize money and awards won in any junior fair and/or open class divisions.

SHOULD FRAUD OR DECEPTION, AND PROOF, AS DETERMINED BY THE AGRICULTURAL SOCIETY, BE DISCOVERED AFTER THE ANIMAL OR ANIMALS HAVE BEEN SHOWN AND PRIOR TO THE SALE, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

SHOULD VIOLATION BE DISCOVERED AFTER THE SALE, all sale money shall be returned to the buyer and the animal, carcass or carcass value shall be returned to the exhibitor. All placings in show will stand. NO animals will move up. Any carcass suspected of being tampered with or suspected of containing drugs will be detained until the investigation is complete.

IF THE CARCASS IS CONDEMNED at the packing plant for any reason, it shall be grounds for disqualification in the on-foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

RULE VIOLATIONS

In the question of a rule violation, the following due process will be used: The exhibitor and/or parties involved will be questioned by Fair officials. If it is felt a violation has occurred, Fair officials will make recommendations to the designated committee of the agricultural society which is appointed to that particular department. After the committee hears the allegations and/or evidence, they will decide if the case should be brought before the full Board of Directors.

In the decision of allegations being brought before the Board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence.

Upon hearing the case, the Fair Board will make a ruling.

When satisfactory evidence has been obtained by the Fair Board that any of the livestock rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future agricultural fairs. The minimum number of years for a disbarment is three (3) years before the right to a review. In case any premium shall have been awarded to animals shown in violation of this rule, the Fair Board will require the exhibitor to refund all premiums, trophies, awards, ribbons and sale money under each violation. Unless fraud and/or deception are involved, all championship placings stand.

CODE OF PRACTICES

The following describes general responsibilities of the farmer and all persons in their authority, in the proper care and handling of animals raised for food and fiber.

- To provide food, water and care necessary to protect the health and welfare of my animals.
- To provide a safe and healthy environment for my animals, that is clean, well ventilated and provides ample space.
- To provide a well planned disease prevention program to protect the health of my herd or flock. This includes a strong veterinarian/client relationship.
- To use humane and sanitary methods when it becomes necessary to dispose of my animals.
- To make timely inspections of all animals to evaluate the health and ensure that all basic requirements are being met.
- To ensure proper handling techniques are used to eliminate any undue stress or injury when manual manipulation is necessary.
- To provide transportation for my animals that avoids undue stress or injury caused by overcrowding, excessive time in transit or improper handling when loading or unloading.
- The willful mistreatment of my animals or the mistreatment of any animal will not be tolerated. In cases of mistreatment, I will notify the proper authorities.
- To make management decisions based on scientific fact and to consider the welfare of my animals.
