BOOK 700 - HAY SHOW

The Coshocton Soil and Water Conservation District provides 10 placing ribbons in each hay class. First-place rosettes in each class are presented to winning exhibitors at the annual meeting of the Soil and Water Conservation District.

1. Any Junior Fair exhibitor may enter the Hay Show. Hay samples should come from the exhibitor's home farm or field under the exhibitor's care.

2. Each exhibitor is to bring an 8-inch to 10-inch thick section from a machine tied bale. No round bales accepted.

3. No premium will be paid for Hay exhibits.
 4. Five hay classes will be offered as detailed below. It is the exhibitor's responsibility to enter the hay sample in the proper class. All hay samples must be entered and ready for show by 9 a.m. Friday before the fair. Samples incorrectly entered may be eliminated at the judge's discretion.
 5. All flakes of hay entered in the Hay Show must be tied and tagged
- CLASS 1 - Light mixed - 10-50 percent legume**
CLASS 2 - Mixed hay - 50-90 percent legume
CLASS 3 - Alfalfa - 90 percent or more legume
CLASS 4 - Grass - 90 percent or more grass
CLASS 5 - Clover - 90 percent or more clover
