

TESTING FOR DRUGS

The Coshocton County Fair Board shall have the right to require places one through five in each class of animals, or any other suspected animal, to be subject to examination and tests as prescribed by the Fair Board to determine if a substance has been administered to the animal to change the conformation or temperament of the animal.

RULE VIOLATIONS

In the question of a rule violation, the following due process will be used: The exhibitor and/or parties involved will be questioned by Fair Officials. If it is felt a violation has occurred, Fair Officials will make recommendations to the committee members of the Coshocton County Fair Board that are appointed to that particular department.

After the committee hears the case and recommendations presented by the Fair Official, they will decide if the case should be brought before the full Fair Board.

In the decision of a case being brought before the Fair Board, all parties involved will be notified of a hearing date with all parties having the right to present their case.

Upon hearing the case, The Coshocton County Fair Board will make a ruling.

When satisfactory evidence has been obtained by the Coshocton County Fair Management that any rules have been violated, the exhibitor and/or exhibitor's family may be barred from showing in any future Coshocton County Fairs. The minimum number of years for a barment is three years before the right to review. In case any premium shall have been awarded to animals shown in violation of this rule, the Coshocton County Fair Management will request the exhibitor to refund all premiums, trophies, awards, ribbons and sale money under such violation. Unless fraud and/or deception are involved, all championship placings stand.
